

## Our Privacy Statement and GDPR information

Lew Sainsbury and Sons is the trading name of LSAS Fire Limited which is a registered company in the United Kingdom No. 10065205.

This privacy policy explains how we use any personal information we collect about you when you use our services and/or buy products.

### What data do we collect and why:

We collect information about you and your business in order to process your order, manage your account and, if you agree, to email you about other products and services we think may be of interest to you. We keep this information in both paper and also electronic format on our internal cloud server.

The information we store about you and your business is:

- Your Name and Address
- Your email address and phone number
- A signature of the person authorising the work
- Our suppliers bank account details
- Information on your fire safety equipment on site
- Results of fire safety audits or fire risk assessments conducted by us
- A history of the services and products we have supplied in the form of purchase orders, service sheets and reports

We do not share this information with other companies, it is solely used for our own records. Invoicing information for the services or products we have provided may also be held on the servers of Intuit at [www.intuit.com](http://www.intuit.com) as we employ the "QuickBooks" software to manage our invoicing and accounts.

This information allows us to provide our services and products in an efficient manner and to contact customers in good time to organise providing a service or product.

We do not share financial information with any other company other than Natwest Bank PLC.

### Access to your information and correction:

You have a right at any time to stop us from contacting you for marketing purposes. This can be done by emailing us at [Enquiries@lsas-fire.co.uk](mailto:Enquiries@lsas-fire.co.uk) and requesting that we stop sending you information.

You have the right to request a copy of the information that we hold about you. If you would like a copy of some or all of your personal information, please email or write to us at the following address. We may make a small charge for this service.

Accuracy:

We want to make sure that your personal information is accurate and up to date. You may ask us to correct or remove information you think is inaccurate. We will continually audit our records to ensure that information is accurate and that irrelevant information is deleted or corrected.

Our website:

Our website does not operate cookies. However, our website host may gather information about your visit for their purposes. We do not have direct control over this.

The information provided via our website using an online enquiry form is sent to us via email. Once your enquiry has been dealt with these emails are deleted.

Our website is hosted by [www.moonfruit.com](http://www.moonfruit.com) who have their own privacy statement.

Website Disclaimer:

The information contained in our website is for general information purposes only. The information is provided by LSAS Fire Limited and while we endeavour to keep the information up to date and correct, we make no representations or warranties of any kind, express or implied, about the completeness, accuracy, reliability, suitability or availability with respect to the website or the information, products, services, or related graphics contained on the website for any purpose. Any reliance you place on such information is therefore strictly at your own risk.

In no event will we be liable for any loss or damage including without limitation, indirect or consequential loss or damage, or any loss or damage whatsoever arising from loss of data or profits arising out of, or in connection with, the use of our website.

Through our website you are able to link to other websites which are not under the control of LSAS Fire Limited We have no control over the nature, content and availability of those sites. The inclusion of any links does not necessarily imply a recommendation or endorse the views expressed within them.

Every effort is made to keep the website up and running smoothly. However, LSAS Fire Ltd takes no responsibility for, and will not be liable for, the website being temporarily unavailable due to technical issues beyond our control.
